

JANICE GAMSO ANDERSON

After graduation I moved to Miami and graduated from Charron-Williams Business School then returned to Sarasota and worked at EMR. In 1965 John Anderson (Class of '61) and I married. I have had more adventures with this man - many more than I ever thought possible!! We have 2 daughters and 1 son along with 4 grandchildren.

Lived 10 years in Wisconsin & Minnesota & was mostly a stay at home mom with a few part-time legal secretarial jobs.

In 1978 we moved to Mountain Home, Arkansas and established a construction business which then evolved into land development. After 25 years we semi-retired and moved to Tulsa and Tallahassee to be near our grandchildren and we also spend time in Pensacola on the beach.

John and I enjoy traveling, hiking, walking and keeping in touch with friends from school and places we've lived. We are, so far, blessed with good health (that won't last forever) and zest for life. Hope to see many of you at our reunion!! **LIFE IS GOOD!!**
